

ROAD CLOSURE

From 7th September 2020, the usual approach to Camphill Devon Community will be closed for repairs to the road, where a fallen tree has caused some significant damage. The works will be carried out by Devon County Council, who estimate that the road will be closed for approximately 6 weeks and a diversion will be in place. The diversion will direct people to the back gate of Camphill Devon Community, which is then approached down a single farm track, which will be controlled by traffic lights. It will be necessary to allow a little more time for your journey to and from Camphill Devon during this time. There should be essential visits only during this time and we would encourage as little traffic as possible.

The closed road will also not be safe for pedestrian or bicycle access.

The "What3Words" app referred to can be downloaded to a mobile phone and is a very accurate way to pinpoint an exact location within an area of 3m². If using a SatNav, the nearest postcode to the back gate is **TQ11 0HJ**.

We will put up a sign on the back gate and, if you need any assistance, please call 01364 642631 Monday to Friday between 0830 and 1630, or out of these times, please call the relevant house directly.

The usual route to Camphill Devon Community will be closed for road repairs from 7th September 2020 for a period of approximately 6 weeks. We will, therefore, have to use the back gate entrance, which can be accessed as set out above. The "What3Words" app reference for the gate is `sometime.shorthand.sprouted`. This gives an area of 3 sq metres. The nearest property has the post code TQ11 0HJ. There will be a sign on the gate and the Highways Agency will put up diversion signage.
