

Susie is a whiz at beading, even tiny beads, with her glasses and she is always beautifully colour coordinated.

Now that the farm house (supported living) have their brand new kitchen/ dining room they have had fun brightening up the place and making it more homely with some wonderful hand painted canvas's

Once again the pottery is looking amazing and ready for the fair. Sadly we haven't had a working kiln for a few weeks so we are a bit low on our usual levels of stock. We are running a GoFundMe to help raise some funds towards a new kiln. Here is the GoFundMe link: <https://gofund.me/383c0ef9> for those that are able to help us.

Thank You

Thank you so much to everyone who chose us as their charity. It has been a great campaign and great to know that something as simple as shopping can help to raise much needed funds for local causes. We were in good company as well with the other worthy causes the Ashburton fridge, and a local care radio.

Also thank you so much to the coop up for coming up with such a fantastic scheme. Over the year we raised fantastic £5549.62 towards our garden kitchen which is already starting to be a fantastic asset to Camphill Devon. Revamping and utilising an area of the site as well as creating new opportunities.

Toby, Roger and David joined us at our local store for the cheque presentation. They all dressed really smartly and enjoyed meeting everyone.

Soundart Radio

We had a fantastic morning at the Soundart Radio studio presenting the work the people we support had made during the Everybody counts workshops at Camphill Devon .

Lucinda and Alice put together the pre-recorded pieces and the group added some live content along with some chosen songs.

102.5 FM

Everyone has really enjoyed working with soundwave radio and we definitely have some fantastic radio DJ's living at Camphill Devon who are looking forward o hopefully doing some more work with the radio station in the new year.

If toy want to have a listen here is a link....

Busy in the Weavery

Toby is having a well deserved lie down on his wonderful rugs after working hard to weave them all.

A lot of work goes into weaving a long roll of rugs like this and now they will be separated out ready to sell..

As always Toby has made some lovely colour choices and it will be great to see the finished pieces.

Little and Large Christmas hats

Hats have been made for lots of different head sizes. Both Andy and Ben are very proud of their creations.

Andy has sewn a beautiful little sausage dog

Martin has been hand-stitching some wonderfully colourful mushrooms

Ben has also made some lovely warm winter socks
