### New Year, New Home for Daran!

We are very happy to say that Daran has moved to Pellinore house. Daran is settling in well and of course his new house mates and staff team are ensuring he feels extra welcome!

Daran has been attending day activities for a few months now, and has already made many friends. He is very talented, having already made some wonderful pottery, wood work, weaving and knitting, as well as some copper work pieces. Daran loves to keep busy, and enjoys singing and dancing.

We are all so pleased he is now able to call Camphill Devon his home. We look forward to see what else Daran achieves in the coming months!

## A Magical outing for the Pellinore Crew

Pellinore house enjoyed a visit to Longleat over the Christmas period to see the Festival of Lights. There were lots of wonderful illuminations, and we can tell by the smiles in these photos that the group really enjoyed walking around to see them all!

They also visited the indoor animals, seeing snakes, spiders and tortoises! The group was very lucky with the weather, it was cold but dry and all in all, very magical!

## A TICKET TO RIDE

Feirefis house had a very festive outing on none other than the POLAR EXPRESS from Buckfast Railway.

They had a fabulous time. The railway did a fantastic job at making the experience a very memorable one.

Everyone got their own Golden ticket that was individually personalised by the conductor! They enjoyed cookies and hot chocolate, whilst being read the story of the polar express along with their own magical bell! They had a great sing along to all their favourite Christmas songs, and even met the big man himself! A truly unforgettable outing. Thanks to Team Feirefis for organising!
